Forwards copy of his order sanctioning an estimate for Rs 2500/- for installation of electric lights in and outside the Ejumbaz at Seringapatam -

In G.O. No. 292-6/Mis 40-28-2 dt 5-8-28 a sum of Rs 2000 was sanctd. for installation of electric lights in and outside the Ejumbaz. The M.C. has sanctd. an estimate for Rs 2500 for the same the amount sanctd by Govt being stated to have been only a lumpsum calculation

It is subd. for orders as to whether the M.C. should not have subd. the estimate to Govt for sanction, as the original amount was sanctd by Govt.

KPlw)-1

SD 1/10/28

From item 18 of G.O. dated 25th Sept. 28, it will be seen that the M.C. has powers to sanction repairs & improvements upto Rs 2500/- The present expenditure perhaps comes more under capital expenditure rather than under repairs to the institution - Hence sanction of Govt to the estimate appears to have been necessary

SIR,

With reference to Government order No.292-6/Muz.40-28-2 dated 6/8th August 1928 sanctioning the installation of electric lights to the Gumbuz at Seringapatam and in continuation of this office memo No.Dl.Dis.52 of 28-29 dated 20th September 1928 sanctioning a detailed estimate for Rs.3500/- for the work, I have the honour to submit herewith the marginally noted two letters from the Deputy Commissioner Mysore District requesting a further grant of Rs.3000/- (Rs.1500/- additional grant for changing the over head lights to ornamental posts with underground cable in Gumbuz and Rs.1500/- for lighting in the masjid-i-ala at Seringapatam)

1. Letter No.H.208/28 dated 1-10-1928 requesting Rs.1500/- for lighting masjid-i-ala at Seringapatam.
2. Letter No.H.208/28 dated 1-10-28 requesting an additional grant for Rs.1500/- for Gumbuz lighting.

If the proposals of the Deputy Commissioner are sanctioned a total sum of Rs.5500/- in all will be required from the funds of the Gumbuz and an expenditure of Rs.5500/- for this purpose seems to be too heavy.

The enclosures received with the Deputy Commissioner's letter are also submitted.

Sir 2876 69

SIR,

With reference to your letter No.2166 Judg.40-28-9 dated 6th April 1929 calling for further information in the matter of sanctioning the estimate for additional lights in the Gumbaz and Masjid-i-ala at Seringapatam, I have the honor to forward herewith copy of letter No.H.208/28 dated 8th June 1929 from the Deputy Commissioner Mysore District and to state that the Nazirana-ou-koffs have agreed to the payment of Rs.3000/- from Gumbaz funds for the additional lights in the Gumbaz and Masjid-i-ala.

As regards the consumption charges, the Deputy Commissioner proposes to adopt the system of payment on actual consumption as per meter reading and that this charge would be met from the funds of the Gumbuz. I am in agreement with these recommendations.

The entire file received with the Deputy Commissioner's letter is enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

P. G. D'Souza

Muzrai Commissioner.

Letter No.H.208/28 dated 8th June 1928 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

Installing Electric lights-Gumbuz and Masjidi-ala Seringapatam.

--

With reference to your memo No.621 of 28-28 dated ..... regarding sanction to the two estimates aggregating to Rs.5,000/- for installing Electric lights to the Gumbuz and the Masjid-i.ala have the honor to forward herewith copy of the resolution passed by the Gumbuz Committee at their meeting held on 16-5-28 agreeing to pay the cost of the estimates from the funds of the institution.

As regards the monthly charges for consumption of Electric power, it is ascertained that it is more advantageous and economical to run the lights according to actual quantity of current used ----- rather than on a flat rate. Hence the actual monthly charges will be met from the funds of the Gumbuz.

I request that early sanction of Government may kindly be obtained to the two estimates aggregating to Rs.5,000/-, the charge being met from the funds available at the credit of the Gumbuz.

The connected enclosures are retransmitted herewith.

For Muzrai Commissioner.
